Dear Alumni,

Greetings from your Alma Mater! As the principal of this esteemed institution, it gives me immense pleasure to write to you all today. I hope this message finds you well and also hope you are doing great in your chosen fields. As we look forward to continuing this association, we would like to request you to provide us with your current whereabouts. This will enable us to keep in touch with you and keep you updated about the latest news and events taking place here. We promise that all the information you share with us would be treated confidentially.

Many of you may have achieved great heights in your careers, and we would be delighted to feature your success stories in our alumni newsletters and other publications. This would inspire our current students and motivate them to work harder towards their goals.

We would love to maintain and strengthen our connection with you in the years to come. We look forward to hearing from you soon. Please fill in your details in the alumni registration link provided in this page.

Warm Regards,

Dr. A G Mathew

Principal

St.Thomas Institute for Science & Technology,
